# HANGMAN

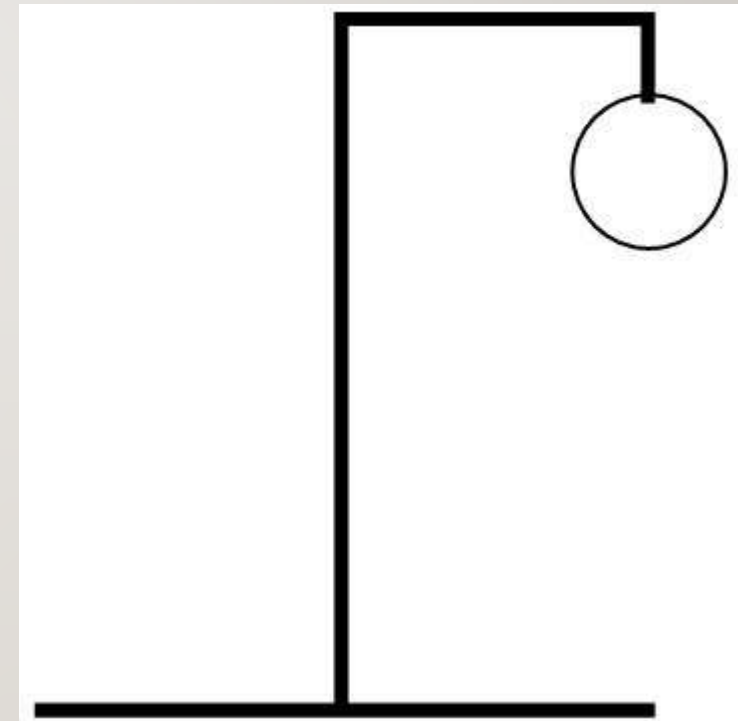

---

- A game where you have to guess the word right
- Type a letter each step
- Each stick appears every time you get a word wrong
- If correct, the letter/s of the word would appear
- Words are random

# DETAILS

---

- You get up to 13 chances
- 10 For Body and the hanger
- 3 For the face
- You have to type the letters
- You can also get a hint for the word
- 2 Difficulties: Easy / Hard
- Easy: 1~3 Letters | Hard: 3~7 Letters

# DESIGN

---

- The design of the game would be comic style
- The underbars would be where the letters appear
- Black / White (Might change later)
- Will play coin sound if you get a letter correct
- Will play error sound if you get a letter wrong
- If you get the word right, a sound of a man laughing played
- If game over, a sound of a man crying played

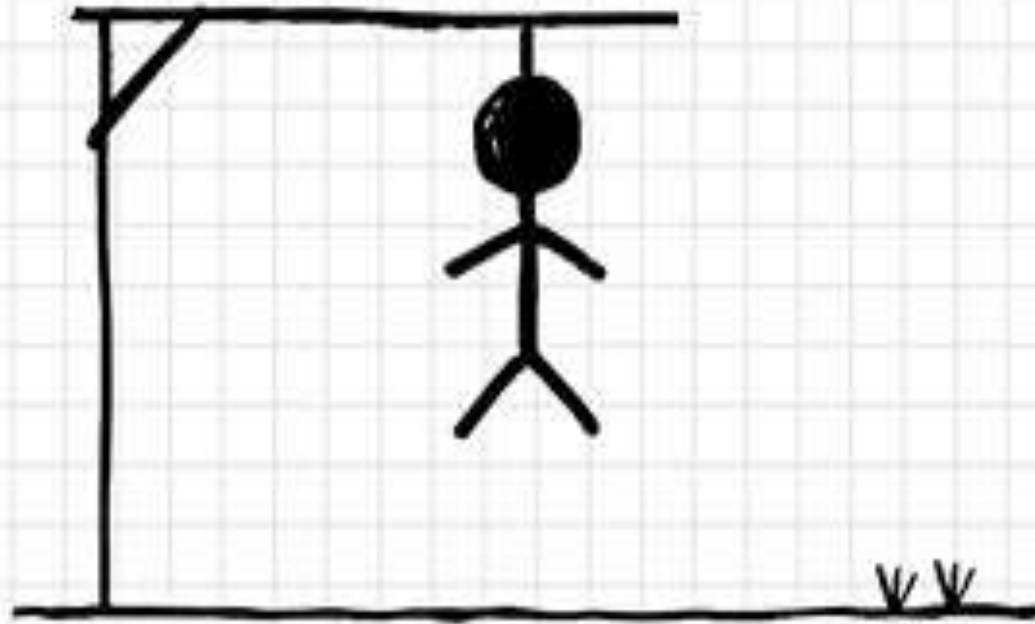

# REFERENCE GAME

---

- Hang Mouse
